

MINI DRY

PORTABLE BUD TRIMMING

Built with the same innovative features and heavy-duty construction as the other Trimator dry trimmers, the Mini Dry is a high-performance bud trimmer in an ultra-portable, easy-to-use package. Every component of the Trimator Mini Dry — from the rollback loading to the time-saving turn-and-lock system — is thoughtfully designed to eliminate the hassles of trimming while providing a perfect trim with zero lubricants. The Mini Dry is great for urban and craft grow operations.

USER-FRIENDLY DESIGN

PURE TRIM™

Proprietary shearing band eliminates the need for lubricants, keeping products pure.

MAXIMUM CUTTING SURFACE

Long narrow drum utilizes more surface area for cutting.

ROLLBACK LOADING

Ergonomic design for easy, efficient trimming.

REMOVABLE TRIM BINS

Food-grade trim bins safely catch excess trim to use for high-clarity extracts.

TOOL-FREE DISASSEMBLY

Turn-and-lock system enables fast drum swaps and easy removal for cleaning.

PRESSURE WASHABLE

Industrial-grade materials make clean-up a breeze with a hot water pressure washer.
